### Sad End of an Editor.

Warsaw, Ind., Aug. 1.—The loss of the paper which he had published for thirty years is believed to have caused the death of Frank H. Zimmerman. Disfranchised Democrats forced Zimmerman to sell his paper, the Warsaw National Union, by threatening him with launching an opposition paper. The veteran editor bowed to the inevitable, but shortly after his mind gave way, and his death was due to paresis.

### RECEIVED MANY PRESENTS.

Mr. and Mrs. Frank Watson, Who Were Married Wednesday.

Webster, July 31.—The leading event of the week was the marriage of Miss Helen J. Lawson to Frank Watson on Wednesday, July 29, the ceremony being performed at East Barre in the home of the officiating clergyman, Rev. Mr. Eastman. The bride was dressed in a handsome gown of white silk, trimmed with lace yoke and ribbon, and carried a bouquet of white carnations.

After the ceremony the bridal party drove to the opera house, where they were received by over 250 invited guests. The reception was one of the largest and most pleasant gatherings ever held in East Barre. Mr. and Mrs. Watson left on the 12 o'clock train for Boston. ### POSSIBLY NOT SUICIDE.

Theory of Accident Advanced in Singular Death of Albert Bliss.

Marshfield, July 31.—The belief is spreading that the late Albert Bliss, whose body was found in a water tub last Monday, did not commit suicide, but that death was accidental. The body was found in the tub by his hired man, Lee Ketchum, and the report was at once spread that Mr. Bliss had committed suicide. The physicians making the examination came to the same conclusion. On the day of the funeral, however, this belief was somewhat shaken when a large cut was found on the nose of the deceased. At once the supposition was started that Mr. Bliss might have fallen into the tub after slipping and hitting his nose against a board.

A few years ago Mr. Bliss fell out of a cart and hurt his head, and since then he has been subject to fits and it may be that at this particular time that he was taken with one of these fits just previous to falling, or as he struck the board, rendering him unconscious.

It is true that Mr. Bliss was subject to fits of despondency and that these attacks have been more frequent this spring than formerly. It is also true that during these attacks he sought seclusion, and that this habit had, to a small extent, caused anxiety to his family and friends, but it is also true that Mr. Bliss had never to the knowledge of any one made any threat, with regard to a suicidal death.

### Historic Bennington Site Sold.

Bennington, July 31.—Samuel B. Hall has purchased from Charles R. Sanford the house that for years has stood on the northeast corner of the old cemetery at Bennington Center. It stands on the site of the house that was occupied for several years by Ethan Allen of Green Mountain Boy fame. For many years after its construction the lower part was used as a public hall and known as Ethan Allen hall. It is understood that the purchase was in the interest of Frederick R. Jennings who is erecting a \$250,000 house but a few miles from the building, and who, it is said, will remove the buildings, and on the site thereof will erect an expensive and costly mausoleum.

### Military Order of Foreign Wars.

Burlington, July 31.—The annual meeting of the Vermont Commandery, Military Order of Foreign Wars, will be held at the headquarters of the First Regiment Infantry, Vermont National Guard, in camp near Fort Ethan Allen, Saturday, August 8, at 8 o'clock in the evening. Reports for the past year will be presented and officers elected. After the business meeting light refreshments will be served, followed by a social hour. Col. J. Gray Estey, of Brattleboro, is the president commander of the order in this State, and Capt. C. M. Brownell, of this city, is the secretary. Most of the membership in Vermont is composed of officers of the war with Spain.

### Another Rural Route from Brattleboro.

Brattleboro, July 31.—Postmaster D. P. Webster received notice from the post office department yesterday that another rural free delivery route had been authorized to start from the West Brattleboro station and extend over Ames Hill to Marlboro Center and the Hale postoffice. The route will be 22 miles long and will accommodate 48 people. This will make five rural delivery routes having the Brattleboro postoffice their center.

## HELD-UP BY CASTRO

### Arbitration of Foreign Claims Threatened

### GREATLY OFFENDS SPAIN

Refuses to Grant Consul Exequatur Because He Tried to Press a Spaniard's Suit.

Washington, Aug. 1.—Semi-official advices received here from reliable sources throw light upon the complications existing in La Guayra incident to the trouble between the Spanish consul there and the Venezuelan authorities. They also make it appear that serious trouble in that quarter is pending because of the anti-foreign attitude of the Venezuelan government.

According to these advices, the Spanish consul referred to requested the privilege of appearing before a tribunal which was examining the claim of a Spanish subject against Venezuela. He was punished by the Venezuelan government through the withdrawal of his exequatur. The diplomatic representatives of the powers in Caracas have joined in a protest against this arbitrary proceeding, but so far it is not known that the government's action has been reconsidered.

### New Yorker Badly Treated.

President Olcott of the Orinoco Navigation company, a resident of New York, also is having trouble in Caracas. The company has a number of claims against the Venezuelan government, and Mr. Olcott, accompanied by an attorney of the United States, went to Caracas to endeavor to secure a settlement.

He sought to appear before the regular judicial tribunals, but found himself embarrassed at every step, and finally it was made impossible for him to secure the assistance of a Venezuelan lawyer. It is feared here that the work of the various arbitrations now sitting in Caracas will be rendered nugatory by this attitude of the Venezuelan government.

### CALIFORNIA FRUIT IN ENGLAND.

Big Shipment on St. Paul Brings Unusually High Prices.

London, Aug. 1.—The big shipment of specially packed California fruit which arrived in England on the American line steamer St. Paul was sold at Covent Garden here. There was a large crowd present and the competition was spirited, partly because of the excellence of the fruit and partly owing to the shortage of the fruit crops in France, Great Britain and elsewhere in Europe.

Five thousand four hundred and seventy-six cases of Bartlett and Souvenir du Congress pears fetched from 10s. 6d. to 13s. per case. Two thousand nine hundred and forty-two cases of plums were sold for 10s. 6d. to 14s. per case. The prices were an improvement over those obtained in London heretofore.

### Jail Breakers Felled.

Tacoma, Wash., Aug. 1.—The prison authorities at Wallawalla have frustrated a desperate attempt of convicts to cause a jail delivery. The prison officials are congratulating themselves that they have avoided a jail break like that at Folsom.

### Government Awards Big Contract.

Washington, Aug. 1.—General Gillespie, chief of engineers, has awarded the contract for the construction of two jetties in the Southwest pass of the Mississippi to Christie & Love of Chicago, the lowest bidders, at their bid of \$2,175,896.

### A NEW ATTRACTION.

Trip to Melodia Will Be Offered at Burlington Festival.

Burlington, Aug. 1.—One of the finest new attractions of the Gaskill-Mundy-Lavitt Carnival Company, which will be the feature of the Fall Festival in Burlington, is a Trip to Melodia, with the marvellous Willards. Melodia is supposedly the mystic land of music and by means of enchanting melody produced by these wizards of music, the audience is transported as it were to the zone of harmony and sweetest music. The novelty of the entertainment lies largely in the queer musical machinery used in the production of this music, most of which is the sole invention and handiwork of these wondrous people.

The hideous Chinese squeegies, the Aluminum chimies, the Trinity tube chimies, the Swedish harmonium, the English Musical Whirlis, the Roman Kaleidoscope, the great Norwegian trumpet-phone and many other weird and wonderful devices give forth great volumes of the most entrancing music. The Willards are four in number and present what is unquestionably the most marvellous and pleasing musical entertainment in this country today. The spacious pavilion in which their performances are given is always packed with the elite of every city they visit.

## REV. MARTIN CAPTURED

### Is Accused of Being a Thief.

### IS IN FRANKLIN CO. JAIL

Had Been Living at Highgate Springs Under Name of "Rev. Mr. Martin."

St. Albans, July 31.—The Rev. Mr. Martin of Newburyport, Mass., who refuses to give his initials, but who has done evangelistic work for the Baptist denomination in Burlington, Richmond and St. Johnsbury in past years, is in the county jail here under the charge of larceny. He was arrested today in St. Johnsbury, by Deputy Sheriff Holmes of Highgate, who had given the reverend gentleman quite an extended chase. He will be arraigned in court tomorrow for the crime.

The Rev. Mr. Martin is the man who came to Highgate Springs a few weeks ago accompanied by his wife and son and gave the name of the "Rev. Mr. Martin," claiming that he was pastor of one of the largest churches in Boston. They hired a cottage and engaged board of Mr. Platt there and were trusted for anything they wanted. After a stay of two weeks and the bills for board and other things began to come in Mr. Martin took his family, a boat and other articles belonging to Mr. Platt and disappeared.

To Deputy Sheriff Holmes was assigned the task of apprehending the thief. He traced the parties to Plattsburg and Port Kent on the New York shore. At the latter place yesterday Mr. Martin raised \$12 on his outfit and bought tickets for St. Johnsbury. Sheriff Holmes went there today and found Martin. After a talk with the officer he consented to return to the state without extradition papers and was brought here on the night train.

Mr. Martin was seen in jail by a press representative. He acknowledged that his real name was Martin and that he had been engaged in evangelistic work for the Baptist denomination. He said he was in Newburyport, Mass. He did not deny his crime but claimed that he was driven to the act by a lack of money.

### DAMAGE DONE BY DEER.

Commissioner Thomas Reminds Farmer There is a Fund to Pay for It.

H. G. Thomas, state commissioner, writes to the St. Albans Messenger in regard to reported damage to crops by deer: "I have a fund to draw from to pay this damage when it is proven that the actual damage was done by deer, without farmers calling on the state, or entering any complaints except through the commissioners. The money to be used to pay this loss is the M. E. Wheeler fund, and will be used to pay legitimate claims. In one instance it was proved that sheep, instead of deer, had eaten up the crops."

"This is to call the attention of farmers to the fact that they are partially protected, and all complaints will have a fair adjustment."

### MAN IS MISSING

And Fool Play Is Suspected, Though There Is No Evidence of Such.

Rutland, July 31.—John Landerbaugh, who has been employed on the farm of D. E. Aldrich at East Shorebury for the past year, and who is well known in that town, suddenly disappeared about three weeks ago and no clue to his whereabouts have been discovered. The man has no relatives in this vicinity whom he could have visited, and fool play is suspected. Several of the farmers have searched the woods in the town, but without finding any trace of the man.

### BACK TO RUTLAND AGAIN.

Mrs. Mary Rogers and Stella Bates to Await Trial For Murder.

Bennington, July 31.—Sheriff Wilson came here yesterday and took Mrs. Mary Rogers and Stella Bates, who have been in jail here since county court adjourned, to the house of correction in Rutland where they will be kept until their trial for the murder of Marcus Rogers is called for the December term of county court. They protested considerably against being removed.

## PHYSICIANS FORM HOSPITAL ASSOCIATION

Organize By Electing Officers—Civic Federation to Consider Support of Project.

In response to what they think is a demand for a public hospital, the physicians of this city met last evening and perfected an organization which will go ahead and complete the arrangements for such an institution. It is the intention of those interested to go still further and become incorporated, thereby conducting the hospital on a business basis.

The officers elected are, President, Dr. J. E. McSweeney; vice president, Dr. W. D. Reid; secretary and treasurer, Dr. O. G. Stickney; executive committee, Drs. J. W. Jackson, M. L. Chandler, W. E. La-zelle and R. W. Newton. Nearly all the physicians of the city have signified their approval of the plan. They will meet again next Friday evening to settle other matters. They are looking about for convenient and satisfactory quarters for the location of the new institution.

The Civic Federation will meet next week to decide whether it will associate itself in the work with the new institution.

### NOTIFIED TO KEEP OFF.

Montpelier Watchman Not Well Received at Berlin.

Montpelier, July 31.—The board of health, which is made up of members of the city council and health officer, William Lindsay, reported to the committee that Hiram Perkins of Berlin, had been engaged as watchman at Berlin pond, according to the recommendation of the state board of health at \$1.50 per day. Mr. Perkins reported several things to the committee, among them being the fact that he had been notified by several parties not to trespass on their land about the pond, and he asked the committee for advice.

The city attorney was present at the meeting and the matter was discussed. The whole matter is now one between the state board and persons serving this notice, since the watchman was appointed at the direction of the state board under authority granted by the legislature. It is expected the watchman will continue to perform his duties in accordance with the instructions issued by the state board.

### A. F. DOWNING DEAD.

Man Well Known in This City Died at Nashua, N. H.

A. F. Downing, formerly stage driver between this city and Montpelier, died at Nashua, N. H., Thursday.

Mr. Downing was 63 years of age. He was in Montpelier last May and purchased a span of horses, one from Frank Andrews and the other from Mr. Morse in East Montpelier. He shipped the pair to Nashua. They were placed in the hands of the foreman of a mill in which Mr. Downing was interested. The horses became rather unruly and the foreman asked Mr. Downing if he would drive them until they became more gentle. Being a great lover of horses and an adept in training them, Mr. Downing consented to do so and his death is said to be the result of his effort in controlling them. His heart had been weak and the strain of holding in the lively pair was too great for him. He leaves a wife and two children, Bert and Nora.

### DISSOLVED PARTNERSHIP.

Item of Interest of Two Barre Boys in Whittier, Cal.

The Whittier, Cal., News has the following item of interest to the many Barre friends of H. W. Kendrick and P. L. Stafford, formerly of this city:

"The firm of Kendrick & Stafford, druggists, was this week dissolved. H. W. Kendrick purchasing the interest of his partner, Paul L. Stafford. This firm has been in business here more than two years and have won much favorable comment for the way in which they have built up their business. Both members were energetic, young fellows, and their stock of goods has been of the best. These things have given them a fine trade, of which they have had good reason to be proud. Mr. Kendrick will continue the business under his own name, and will be assisted by Dr. Bradley, the popular prescription clerk who has been with the firm for some time. Mr. Stafford's plans are unsettled, but we shall hope he will conclude to make Whittier his home."

### REMARKABLY GOOD RECORD.

Not a Single Case of Contagious Disease Reported in Barre.

Of the deaths three were from consumption, one old age, one tetanus, one opium-narcosis and other two miscellaneous. It is remarkable that ten bodies were brought to this city for interment.

Invited to Miles' Hall Where the Evening Was Pleasedly Passed—Many Presents.

About seventy-five of the friends of Mr. and Mrs. John R. Tierney tendered them a complete surprise at Miles' hall last evening, the occasion being in honor of their 20th wedding anniversary. The surprise was carried out in a very successful and unique manner.

The large party met at the hall and at 9 o'clock all went to the home of Mr. and Mrs. Tierney on South Main street where they made known their errand to the astonished couple.

After hearty congratulations had been extended to the honored couple the company went back to the hall, where a most delightful time was had in a social manner and dancing. Excellent music was furnished by Messrs. Tarbox and Perry and Miss Inglis.

Dr. J. W. McSweeney in behalf of the company presented Mr. and Mrs. Tierney an elegant dining table with chairs and a large hall mirror, to which presentation both the recipients responded in a fitting manner, showing their heartfelt appreciation of the kindness of their friends.

The dancing and frolics were kept up until the small hours of the morning when the party broke up wishing the much respected couple many more years of continued happiness.

## EAST BARRE COUPLE TENDERED RECEPTION

Mr. and Mrs. A. C. Coleman Remembered by Many Friends on 25th Wedding Anniversary.

East Barre, Aug. 1.—A unique surprise was given Thursday evening to A. C. Coleman and wife, when from sixty to seventy of their friends came to spend with them the twenty-fifth anniversary of their wedding day. The idea of this gathering originated in their old home, East Orange, and many came from there. They come, too, from Chelsea, Bradford, Waits River, Barre and Montpelier, from Boston, New York, North Carolina and Connecticut. Flowers were tendered Mrs. Coleman to add beauty and fragrance to her rooms, and cakes in abundance to refresh the inner man.

From 4 p. m. to 9 p. m. there was much stir at the Coleman homestead, and eager welcoming of old time acquaintances. Then a moment of quiet ensued and J. A. Dodge of Waits River enjoined God's grace and goodness for the family and friends. Dea. Davis of East Orange made appropriate expressions of the sentiment felt by all present and gave to Mr. and Mrs. Coleman an elegant chamber suite. Other gifts from individuals were noticeable also. Briefly and eloquently A. C. Coleman replied for himself and wife, having appreciation even more for "the presence of the friends than for their presents."

Musical and social intercourse became then the order of the evening and was kept up until the "wee wee hours" when friends parted with expressions of a hope that in the near future they might meet again to repeat the joy of this pleasant evening.
